Friday, January 20th

Period 5: 8:00 -10:00

Break: 10:00 – 10:30

Period 6: 10:30 – 12:30

Monday, January 23rd

Competency Recovery* & Assessment Make-up Day 8:00 – 12:30

*Competency Recovery day is designed to be the **conclusion** of a detailed process, whereby an articulated plan between student and teacher culminates on this day. Recovery essentially amounts to students being granted the opportunity to prove their learning if they have improved their skills through a demonstration of the acquisition of those skills over time. Students should not use this day to initiate the recovery process, nor should they arrive asking the question “What do I need to do to pass this class?” Please have a conversation with your child to ensure he/she has begun working on a recovery plan with their teacher(s). Recovery day attendance is only necessary if a plan has been agreed upon between student and teacher.
